FISCAL ANALYSIS

ASSUMPTION

Officials with the **Department of Transportation (MoDOT)** assume the legislation revises the make-up of the Missouri Highways and Transportation Commission. MoDOT notes the legislation would require some administrative costs for the name change, however, these expenses will be absorbed by MoDOT and no fiscal impact will result from the proposal.

DESCRIPTION

This proposal requires that members of the State Transportation Commission be appointed by the Governor from among candidates supplied by the House and Senate leadership of each political party. Every two years the Governor will appoint one candidate from each party. Candidates must be appointed by July 1 in even-numbered years. When a vacancy on the commission occurs, the House and Senate leadership of the political party of the vacating member must submit three candidates for selection within 30 days. The Governor has 15 days to appoint the new member. The new member will serve only the remainder of the unexpired six-year term of the vacating member.

All references to the Highway Commission or the Highways and Transportation Commission and the Department of Highways in the statutes will mean the Transportation Commission and the Department of Transportation.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
